Dear Bill,

Please find attached a letter from investors representing over \$170 billion in assets urging the EPA to initiate a 404(c) review of the proposed Pebble Mine in Bristol Bay, Alaska.

We will be delivering the letter to Administrator Jackson tomorrow and issuing a press release as well.

Stu Dalheim of Calvert and I would be very interested in speaking with you this week about these investor concerns at your earliest convenience.

If I may, I would like to suggest a phone call anytime this afternoon Pacific Time, or anytime after 9amPT tomorrow, April 12th.

Thank you in advance.

Best,

Jonas
